

RHIA PATEL (OC 2011-2016)

As Head Girl at Caterham, Rhia was fully involved in all aspects of the school as a pupil. In particular, she was an avid musician - achieving her Piano Diploma and Grade 8 Oboe during her time, whilst contributing to the Sinfonia orchestra and jazz band, and thoroughly enjoyed playing in the band in the school's Les Mis production. Rhia was also a drama scholar, starring in Hairspray and Joseph. At The University of Edinburgh she found time to enact social change working with the university student-led, third-sector consultancy FreshSight, and then in Buenos Aires with Delicias de Alicia, a social enterprise running cooking classes for underprivileged children. She now works as an analyst at BlackRock. Alongside her current role, she is part of the firm's social impact scheme where she partners with a South London-based youth organisation, running workshops and mentorship schemes for domestically-disadvantaged young students.
