CATERHAM
SCHOOL

OCA COMMITTEE MEMBER APPOINTMENT BRIEF

To start:
January 2023

One of the top co-educational schools in the country

ABOUT CATERHAM

We are a highly successful and ambitious school but, above all else, Caterham is a warm and welcoming community where each member is nurtured and encouraged to flourish.

Caterham is consistently recognised as one of the leading co-educational schools in the country. We are committed to providing an environment in which all pupils are challenged to be the best they can be, and one in which pastoral care and well-being underpin academic, co-curricular and sporting excellence.

We believe in providing an education for life for all Caterhamians and we seek to ensure that the learning experience at our school blends the best of tradition with the exciting opportunities provided by new technology. Learning how to learn is a key facet of a Caterham education and is an essential skill for life in the twenty-first century. We believe that a truly excellent school is about more than academic

achievement alone: it is also about developing a passion for learning; a capacity for independent and critical thinking; self-awareness and resilience; self-confidence without arrogance and genuine interests that extend beyond the confines of the classroom.

At Caterham School we focus on developing the whole person, aiming to ensure that each pupil leaves here ready for the challenges of life at university and beyond, and understanding their responsibilities towards others. We want our pupils to leave Caterham well equipped to engage positively with a rapidly changing world as accomplished problem solvers and innovators, confident in their ability to lead and with a clear appreciation of and respect for the views and potential of others.

ABOUT THE OLD CATERHAMIANs' ASSOCIATION

The Old Caterhamians' Association (OCA) is a vibrant, connected community offering a professional and social network for former students of Caterham School, a group proud to call itself the Old Cats. Our mission is to make the OCA as inclusive and relevant to our members and the wider school community as possible.

The OCA represents a diverse and globally scattered community of individuals who share the common experience of attending Caterham School.

Our role within the wider school community is to help create a united community of alumni, prep and senior school parents, staff and friends who support Caterham School by volunteering time, making donations, and offering their expertise to benefit pupils in our school, alumni and children in our partnership community.
